## Microfiber Dry Dust Pads with Fringe

- › Microfiber dry dusting pads have a positive electrostatic charge that traps fine particles and keeps them until laundered.
- › Fringe traps large particles like a standard dust mop.
- › Lasts hundreds of launderings.
- › Available in 18, 24, 36, 48, and 60 inch sizes.
- › Fringed microfiber pads cover more surface area than plain dust pads.

**Best of all They work like nothing else!**
